

“Providing a Balanced Approach to Natural Resource Management”

Northwest Management, Inc. (NMI), a full-service natural resource consulting firm with offices located in Moscow, Idaho, Colville, Hoquiam Washington, and Helena, Montana, is seeking a highly motivated, self-directed, results-oriented, and experienced Field Forester for our Hoquiam, Washington office. This position requires a confident and strategic communicator, who works well with limited supervision, and is capable of developing an ongoing program of project monitoring. Applicants should have a combination of education and work experience in forest management that demonstrates the experience and skills to perform the duties of this position.

Position: Field Forester

Status: Full Time position with benefits

Wage: Based on experience and education

Time Frame: Projected start date is March/April 2021

Location: This Field Forester position will be based out of our Hoquiam, Washington office.

Duties: This Field Forester position will report to the Moscow Forestry Services Manager. Primary duties may include, but shall not be limited to, the following:

1. Participate in pre-sale services including; timber sale preparation, planning and layout.
2. Perform timber cruising and forest inventory.
3. Conduct timber sale administration & inspections as assigned.
4. Participate in reforestation and site-prep administration, as well as in prescribed burning and wildland fire activities.
5. Conduct forest assessment on NIPF lands as needed.
6. Assist with preparation of Forest Management Plans and interact positively with landowners.
7. Effectively use ESRI ArcGIS, MS Office, Google Suite & Avenza Maps and other assigned software programs on desktop and mobile devices.
8. Manage work and project time schedules so projects are completed in a professional and timely manner and deadlines are met.
9. Provide leadership, training, and crew supervision within all NMI projects.
10. Keep clients informed of project status; resolve issues in a timely manner; maintain a high level of client satisfaction.
11. Participate in prescribed burning and wildland fire activities.

Qualifications: Bachelor's degree (B.S.) in Forestry or closely related field, and two (2) years of experience involving the duties listed above. This position will be required to work independently with minimal supervision.

Closing Date: Until filled.
